7 February 1952

MEMORANDUM FOR: THE CHAIRMAN, JOINT CHIEFS OF STAFF
SUBJECT: Central Intelligence Agency Participation
in Service Schools

1. For obvious reasons it is highly desirable that the Central Intelligence Agency maintain a small number of its career officers as students in certain Department of Defense colleges and schools. Circumstances now permit us to broaden this participation by assigning one of our career officers to the Armed Forces Staff College as a student if the necessary quota can be made available.
2. It is, therefore, requested that the Central Intelligence Agency be granted a permanent quota for one student at the Armed Forces Staff College, commencing with the class convening in August 1952.
3. We are prepared to fill a permanent quota of one with persons of appropriate qualifications.
